

Anesthesia Department Paid Dues and Fees

The Department of Anesthesia will cover the cost of the below items for all comp plan faculty and full-time staff physicians. Part time appointees are eligible for only CA Medical License fees and ASA/CSA membership.

Additional dues/licenses/memberships not included in this policy will require written approval from Dr. Gropper or Carroll Schreiber to be paid by the department.

American Society of Anesthesiologists (ASA) & California Society of Anesthesiologist (CSA) Dues

The ASA/CSA group bill is paid annually in December to cover membership for the upcoming calendar year.

If you are NOT currently on the ASA/CSA group bill, submit your invoice or payment receipt. You will be added to the group bill for the next cycle.

ACLS Certification

Classroom course and [online](#) component at the Kanbar Center will be reimbursed with proof of payment. Recharge is not available.

California Medical License

To avoid delays in renewal, directly pay the CA Medical Board and submit your receipt for reimbursement.

Drug Enforcement Administration (DEA) License

UCSF is an exempt institution, so there is **no fee** for renewal. **Do not submit a payment.** For instructions on how to apply/renew, go to [DEA Certification Application](#).

International Anesthesia Research Society (IARS)

Submit invoice or payment receipt.

Note: Anesthesia & Analgesia Journal subscription is free for those with full IARS membership

Society of Cardiovascular Anesthesiologists (SCA)

Submit invoice or payment receipt.

Note: As of March 2021, IARS and SCA joint membership discontinued

Maintenance of Certification in Anesthesiology (MOCA 2.0)

Annual cost will be reimbursed with proper proof of payment.

One additional certification related to your subspecialty will be covered.

MOCA Simulation Course

Only UCSF Simulation Education Course will be comped.

Reimbursement applies to course instructors only.

Fulfills one of the MOCA Part IV requirements.

For more information, visit MOCA on the Anesthesia website or contact Dr. Lee Lynn Chen.
