

General Information

The UCSF Anesthesia Simulation Center is located at San Francisco General Hospital in San Francisco's Mission district. Our address is 1001 Potrero Ave, San Francisco, CA 94110. The simulator is located in Building 30, within the Currin Carlisle Learning Center

Questions?

For questions about the UCSF Anesthesia Simulation Center and upcoming simulations, contact anesthesiasimulation@ucsf.edu

For questions about the ASA Maintenance of Certification in Anesthesiology Program, please contact Matthew McNutt at m.mcnett@asahq.org

Accreditation Information

This simulation course fulfills one requirement of the American Board of Anesthesiology's (ABA) Maintenance of Certification in Anesthesiology Program (MOCA®).

The University of California, San Francisco Schools of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Please consult the ABA website, www.theABA.org, for a list of all MOCA® requirements. MOCA® and Maintenance of Certification in Anesthesiology Program® are registered trademarks of The American Board of Anesthesiology, Inc.

About Your Simulation Course

This program is designed to provide an interactive experience in the management of perioperative medical crises. Details of medical management will be discussed, as well as proper crisis management behaviors. This six-hour course format includes a one-hour orientation followed by a series of immersive OR simulations. In each scenario, one participant will act as the main anesthesia provider in the management of a simulated perioperative crisis. A second participant will be the person who responds if help is required. Other participants will play a role in the clinical scenario, such as scrub tech or circulating nurse. Scenarios will be recorded and reviewed immediately afterwards. Before adjourning, each participant will complete a practice improvement plan. 30 days later, the American Society of Anesthesiologists will contact you with a follow-up evaluation to complete MOCA® part IV Credit.

Lee-Lynn Chen, MD - Course Director

Schedule

Course Outline:

- 08:00 AM- Introduction
- 08:10 AM – Icebreaker Activity
- 08:30 AM – ACRM Presentation
- 09:00 AM – Orientation to SIM
- 10:00 AM – Debrief Scenario 1
- 10:40 AM– Scenario 2
- 11:10 AM - Debrief Scenario 2
- 12:15 PM - Lunch
- 13:15 PM – Scenario 3
- 13:45 PM – Debrief Scenario 3
- 14:30 PM – Scenario 4
- 15:00 PM – Debrief Scenario 4
- 15:30 PM – Scenario 5
- 16:00 PM – Debrief Scenario 5
- 16:30 PM – Evaluations
