

Spine Surgery

Am I ready to go home?

Target discharge date: _____ **at 11.00am**

- My pain is managed with pain pills.
- I am getting out of bed independently or with minimal assistance
- I am walking more than 50ft (with a walker, if needed).
- I can climb the stairs (if there are stairs at home).
- I can remove the brace (with help, if needed).
- I have had my discharge X-ray.

I am ready to go home!
