Fejerang _____	Martin <u>CM</u>	Scholz <u>mg</u>	

DO NOT REMOVE FROM DEPARTMENT

RESPIRATORY CARE SERVICES

Topic	Discussion	Action / Follow up
JC and CMS ZSFG Surveys	Thank you to all RCPs for your efforts regarding the surveys. Overall ZSFG did very well. A couple of med gas issues to be reviewed were protecting loading dock cylinders from the “weather” and medical gas cylinders in the cabinets in the ED, H26 and NICU areas. RCS’s position is this is not a violation of code.	A full JC survey and ClinLab survey will happen over the coming months.
AFB SI Service	Our efforts thus far have been terrific. Discussions regarding NPO status and how many specimens are required are in review. Once finalized, additional Med Surg RN educational information will be distributed to optimize the RCP workflow.	Please continue to provide feedback.
RCS Attendance Policy	A discussion regarding staff feedback from the January meeting was held. JK updated Staff on some of the changes proposed.	An updated proposal was sent to LER for final review and then for submission to the union.
Foothill, Skyline & Carrington RT Student Rotations	Greg, Grey and Doug provided updates on their respective school rotations. Thanks to all staff for their interaction with the RT students.	Discussions with Ohlone continue. There will be a formal application process for students requesting internships with the department.
Better Breather Classes	Eula applauded Kelly for assisting with Cantonese language classes and for those being provided in Spanish (Martha?)	Eula asked RCS staff to suggest enrollment in the BB classes with any inpatients who would benefit and be interested. Contact Eula for more information.
ZSFG Safety Survey	Susie is the RCS liaison for this survey...	Thanks to all in advance for your participation. Spring is a survey intensive time of the year.
Neuro Services Nurse Practitioner	Amy Winkelman, ACNP, MSN Neuro trauma Program Coordinator	Amy had a family issue come up so she’ll present to us at the May 23 rd Staff Meeting
980 Ventilator – Boom Relaunch	Thank you all for your patience and participation in optimizing the workflow now that we back on the boom configuration.	More work to be done, keep your ideas coming.
Emergency Department	Staff feedback is requested for “gaps” in ED care for respiratory patients and other workflow issues.	Please provide comment to your supervisor
Bargaining Survey	Rose provided the following update:	75% of staff completed the survey. This is the first time we achieve this much engagement in our union

Topic	Discussion	Action / Follow-up
		thanks to our new MAT Leaders Anngie and Robert.
Sunshine Proposal	Biomed, Anesthesia, Pathology, and RCS Members delivered and presented the Initial Bargaining Proposal to UCSF Dean's Office in Building 5. Bargaining starts March 21, 2017.	FYI
CSRC Legislative Update	There was great turn out of RT Students. We lobbied for the safe care RCPs provide, the need for our profession, and RCB. There was an Oversight Hearing held March, 6, 2017 by Senate Committee on Business, Professions and Economic Development and the Assembly Committee on Business and Profession. See link to Background Paper for The Respiratory Care Board of California http://www.rcb.ca.gov/about_us/forms/sunset2016.pdf	Thanks to all in our profession who attended and to Rose for the summary of events.
2017 RCS PHIL Award	Eula will coordinate in April	FYI
Next Staff Meeting	April 25 th at 19:30	FYI

RCS February Staff Meeting Attendees: Bandian, Perez, Kelly, Martin, Hammoudeh, Pangilinan, Carothers, Barnoski, Lear, Ennis, Moon, Ang, Schletz, Fejerang, Ho, Waugh, Wedeking, Whiting, Matsushima, Truong, Ong, Lewis, Greg Burns, Bell, Phillips, Rachael Burns, Navarro.
